Series Overview

Welcome to the second edition of the **CMC Super City Teams Championship**, a dynamic five-round series of team-based cycling races held across Southern Auckland from August to November 2025.

This championship is designed to foster competitive racing, team camaraderie, and community engagement. Riders compete in graded categories, with points awarded for individual and team performance across each round. Leaders Jerseys and KOM Jerseys are up for grabs in Categories 1–4, while Category 5 and Social riders enjoy a more flexible race format.

Whether you're racing for podiums or building experience, we're excited to have you join us for another season of high-quality racing.

2025 Race Calendar

- **Race 4:** Saturday 18 October – Camp Adair, Hunua
- **Race 5:** Saturday 1 November – Aka Aka School

Race 4 Camp Adair Full

Type	Distance	Elev Gain
	88.5 km	1,411 m

- **Start Line Procedure:** Riders must line up 10 minutes before their start time.
- **Line-Up Location**
Riders will line up on the entrance road, just inside the exit onto Hunua Road.
- **Neutral Start**
The race will begin with a neutralised start behind the lead vehicle for approximately 4 km. Racing will commence once the lead vehicle reaches the intersection of Gelling and Nairn Roads.
- Roads are open. Riders must obey road rules and stay left of the centre line.
- **NB: Please make sure race numbers are always clearly visible. If commissaires and officials can't see your number, you might not get counted...and could even be disqualified.**

- **Spectator Parking – KOM Viewing**

Spectators wishing to watch the KOM are asked to park on Ararimu Road near the Gelling Road intersection and walk to the KOM point, or alternatively, park on Sinclair Road. Please do not park on the race course or interfere with the flow of the race in any way.

Parking & Access

Event Headquarters is at the Rec Hall, Camp Adair

Parking entry is from Hunua Road. Keep to the left and follow the sign to the Rec Hall.

NB: There is limited parking due to the temporary closure of the main parking area due to wet ground conditions. Please help by carpooling and parking close to the vehicle next to you. **Please do not block access roads / driveways.**

Race Numbers

- Bibs will be issued so no need to worry about pinning or correct number placement.
- **NB: Please make sure race numbers are always clearly visible. If commissaires and officials can't see your number, you might not get counted...and could even be disqualified.**

Awards & Recognition

Race Day Medals

- 1st, 2nd, and 3rd place finishers in each grade for Road Race

Series Awards

- Individual: 1st, 2nd, and 3rd overall finishers
- Teams: 1st, 2nd, and 3rd overall teams

Trophies

- Round-specific trophy for winning team
- Grand trophy for overall series-winning team in each category

Jerseys

- Leaders Jersey: Awarded to leading rider in each category (Categories 1–4 only)
- KOM Jersey: Awarded to top climber in each category (Categories 1–4 only)

IMPORTANT NOTE:

Prize Giving Requirements

1. Rider Attire

All riders attending prize giving must wear their official respective team jerseys/race apparel. Failure to do so will result in a deduction of points from the overall individual classification.

2. Attendance

Riders who do not attend prize giving will forfeit points for themselves and/or their team, unless prior arrangements have been made with the Event Organiser.

Points System

Rider & Team Points (Per Race)

Place	Team Points	Rider Points
1st	15	15
2nd	12	12
3rd	10	10
4th	8	8
5th	6	6
6th	5	5
7th	4	4
8th	3	3
9th		2
10th		1

- Points are awarded to the first three riders across the line for each team.
- Individual riders score points based on their finish position: 1 point for 1st place, 2 points for 2nd, and so on.
- The team with the lowest total points in each round wins 1st place team points for that race.
- If you're contesting the KOM, please hold your line through the sprint.

Rules & Regulations

- **Road Rules:** You will be riding on Open Roads at all times and must comply with NZ Traffic Regulations, as well as UCI and Cycling New Zealand Racing Rules. Riders must obey all road rules and exercise caution at all times. Roads are open to traffic, and riders must stay left of the centre line, crossing it will result in disqualification. Be prepared to stop or give way to other road users as required. Commissaires may issue warnings, penalties, or disqualifications for any breaches.
- **Support Vehicles:** No supporters are permitted to follow the live race or interfere/obstruct with its flow.
- **Mechanical Support:** There is no service support. Riders unable to continue will be collected by the sag wagon.
- **Course Knowledge:** No appeals will be accepted for misdirection. Riders must know the course - no exceptions.
- **Commissaire Authority:** Commissaires will decide on any matters not covered by these rules.
- **Withdrawals:** Any rider withdrawing from the race must notify the Finish Line Judge or their Race Commissaire immediately.
- **Emergency Contact:** All riders must provide emergency contact details at registration.
- **Entry Confirmation:** All riders must have paid their entry fee prior to racing. This will be confirmed at registration.
- **Start Line Procedure:** Riders must line up 10 minutes before their start time on the driveway exiting the venue and turning right onto Hall Road.
- **Feed Zones:** There are no feed zones, so please take any necessary fuelling with you when you race. Supporters are not to provide you with additional fuel while you are racing.

Health & Safety

Health & Safety is a shared responsibility at every event. Ensuring the wellbeing of riders, officials, volunteers, and spectators is a core priority throughout the planning process. This can encompass road restrictions, traffic management, and timely communication with local businesses and residents, among other measures.

- The event takes place on a mix of residential and rural roads.
- Roads are open, and there will be public and official traffic on the circuit during your race.
- Riders must manage their own safety, remain alert to other road users, and make responsible decisions at all times.
- If you need to stop for any reason, move off the road immediately.
- Riders must remain behind their category lead car at all times.

Any questions or concerns regarding Health & Safety should be reported to the Chief Commissaire (**Mary Ingle - 0210 254 0566**) or the Event Coordinator (**Murray Garland - 0274 933 842**).

Waste

This is a Zero Waste Event. No rubbish bins will be provided.

IMPORTANT: If you bring it, you take it home please, including wrappers, cups, napkins, and any other waste. Please help us keep the venue clean so we can use this venue again.

Volunteers

This event relies on the generous support of volunteers to ensure rider safety, smooth operations, and a great race experience. Roles currently needed include:

- Commissaire Drivers/Scribes
- Judges for Finish Line
- HQ and registration support

If you or someone in your team can assist, please let us know by messaging CMC on Facebook.

Volunteer Briefing

8:30am sharp at Race HQ (Camp Adair Rec Hall)

Please ensure:

- Volunteers arrive 15 minutes before their assigned role
 - All volunteers wear high-visibility vests
 - Any changes or absences are to please be communicated to the Event Coordinator (Murray Garland).
-

Food & Beverages

Coffee and BBQ sausages will be available on site.

There will be no eftpos, so please bring cash or you will be able to bank transfer.

Smoke, Drug, Alcohol, and Dog Free Policy

The entire event is smoke, drug, alcohol, and dog free. Please ensure all supporters and team members are aware of this policy.

Additional Notes

Lost Property

A selection of lost items has been collected from the past few races. These will be available for retrieval at the registration desk.

Cable Tie Snippers

Please return any cable tie snippers borrowed during earlier races. These are shared resources and need to be returned for future use.
